Uniforms and sportswear at scale

THE FACTORIES

Two factories, in Brasília (DF) and Ciudad del Este (Paraguay), with capacity for over 100,000 pieces per month. The Brasília unit reaches up to 20,000 pieces per month; Ciudad del Este up to 100,000, in 3 shifts.

WHO WE PRODUCE FOR

Schools and school networks, teams and delegations, races and events, companies and gyms, and apparel brands that outsource manufacturing.

CUSTOMIZATION AT THE FACTORY

Embroidery, sublimation, print, and name and number per athlete.

PRODUCTION IN 6 STAGES

1 Project definition · 2 Cutting · 3 Sewing · 4 Customization · 5 Finishing and control · 6 Preparation and dispatch.

REFERENCE FABRICS

Polo shirt: dry · T-shirt and tank top: aero dry · Bermuda shorts: tactel with elastane · Pants: chimpa. Composition, weight and colors are confirmed in each project's proposal.

HOW TO ORDER

Fill in the order spreadsheet (models, sizes and quantities): totals appear instantly. Payment: 50% down on confirmation and 50% on delivery; production starts after the down payment. Minimum order: from 50 pieces in Brasília (most basic models) and 1,000 in Ciudad del Este. Lead time is agreed before we start.
